## Residence Hall Staff

The Residence Life staff includes full-time professionals, graduate students, and undergraduate students.

A Resident Assistant (R.A.) lives in each residence hall corridor to help students make the transition from high school to college and to plan special events so students get to know one another. These carefully selected and trained upperclass students are also familiar with the scheduling process and often share their own knowledge and experience.

A Resident Director will live in your community as well. They will help shape the environment and experiences of residential students.

## Room Assignments

During the summer, our office works diligently to finalize housing assignments. We strive to meet as many preferences and requests as possible. In order to meet the most preferences, our process takes the majority of the summer. Room assignment information for incoming first year students is sent out by email at the end of July.

## Living Requirements

At Miami, we highly value the residential experience for student success. All first-year and second-year students are required to live on campus unless they meet one of the following criteria:

- at least 21 years of age before the first day of class
- have matriculated full-time for at least two years at another institution of higher education or a regional campus (credits must be post high school)
- commute from the home of a parent or legal guardian

## MUBucks

MUBucks is an off-campus debit account, which may be used at a variety of local, non-university businesses, that are part of the “Uptown Bucks” network. The MUBucks account will reside on your Miami I.D. Any student, faculty or staff member may open an account.

To open an account visit [MUBucks.com](http://MUBucks.com). Once there, complete an application form and make payment using credit card or check. You may also call or visit the Uptown Bucks office at 110 N. Beech St.

For a list of participating merchants or to check your current account balance, visit [MUBucks.com](http://MUBucks.com).

## Learn More

If you have any questions please do not hesitate to contact the H.O.M.E. Office at [HOME@MiamiOH.edu](mailto:HOME@MiamiOH.edu) or in person in *Room 034 of the Campus Avenue Building*.

## Housing FAQs

### Q. When will I find out where I'm living?

A. Housing assignment information will be emailed to your Miami account in late July/early August.

### Q. What linens will I need?

A. You'll need to provide your own pillows, blankets, and sheets (which fit 80" x 36" XL twin mattress). You and your roommate(s) may want to coordinate bedspreads and additional items to decorate your room.

### Q. What furniture is provided?

A. All rooms are furnished with beds, dressers, desks, desk chairs, bed rails, trash can, recycling can, and closets or wardrobes. Due to campus storage space limitations, requests to remove university provided furniture cannot be accommodated. Students are discouraged from bringing their own furniture to campus. Typically, rooms can only safely accommodate the furnishings provided.

### Q. What appliances can I use in my room?

A. Approved appliances for use in student rooms include stereos, televisions, computers, fans, clocks, lamps, irons, blow-dryers, curling irons, single-serve contained coffee makers, and powerstrip cords with built-in circuit breaker. All items must be Underwriters Laboratory approved.

### Q. What items can I not use?

A. The following items are prohibited in your room: private loft beds, electric blankets and sheets, hot plates, sun lamps, candles, electric skillet and grills, toaster ovens/toasters/popcorn poppers, open hot pad coffee makers, halogen lamps, wireless router, wireless printer, and non-circuit breaker equipped extension cords.

### Q. How large are the residence hall rooms?

A. The size of our rooms varies from one residence hall to another, as a result of architectural differences. You will receive the dimensions of your room when you get your assignment in late July/early August. The majority of rooms are multiple occupancy rooms for two people.

### Q. Will I have Internet in my room?

A. Yes, each room has both wired and wireless connectivity providing access to the internet and local network resources. If you play online games or stream lots of video, consider ordering ResNet Turbo. This optional service provides a minimum of 10 Mbps Internet bandwidth with service frequently reaching 20 Mbps or greater. This service costs \$85 per semester. Sign up for ResNet Turbo on your housing contract.

### Q. Do I need to purchase property insurance?

A. Miami does not assume responsibility for the loss of money or valuables, damage to property, or injuries on the premises. If you are not covered under your parent/guardian homeowner's insurance policy, we strongly recommend that you make arrangements for insurance protection against such losses, such as renters insurance.

### Q. How do I hang pictures (posters)?

A. You may decorate your walls using molding hooks ("S" hooks), twine and reusable poster putty. Due to the room damage they create, Command Strips, scotch tape, duct tape, adhesives, tacks, nails, screws or pins may not be used for any purpose (students are responsible for room damage including the room door). Room decorations must not be affixed to or suspended from the ceiling, light fixtures, smoke detector, occupancy sensors or sprinkler heads. You may be held financially responsible for the repair and clean-up resulting from an unintentional/intentional activation of a sprinkler head.

**Q. Can I park on campus?**

A. A parking permit is required to park on Miami University's campus at all times unless in a garage or at a meter. Please contact the HOME Office at 513-529-5000 or visit our website at [MiamiOH.edu/parking](http://MiamiOH.edu/parking) for questions concerning eligibility for or purchasing parking permits.

**Q. What if my roommate and I do not get along?**

A. Roommate conflicts are mediated by your Residence Hall Director and Residence Life staff members, who encourage open communication between roommates to come to a mutual resolution.

**Q. Can I have a pet?**

A. Pets are not permitted in the residence halls, except for small fish. Tank size cannot exceed five gallons, and tank heaters are not allowed.

# PRINTING

## PAY4PRINT PROGRAM

Pay4Print allows students, faculty & staff to print, copy and scan documents in black & white or color at convenient locations across campus using their MUIaa accounts. This program is managed by Miami in partnership with ComDoc (a Xerox™ company). With Miami uPRINT, you can print from public computers available in each area or print wirelessly from your own Mac or PC to any Pay4Print location. For more detailed information on the program, please visit: [MiamiOH.edu/Pay4Print](http://MiamiOH.edu/Pay4Print).

## HOW DO I USE PAY4PRINT?

- Using Pay4Print is simple! At most locations there are public computers available to sign into, open your document and send it to a print queue.
- Once you send it to the print queue, you can sign-off and end your session on the public computer.
- Near each print device there is a computer release station that shows the print queue. Locate your print job in the list of the queue on the print release station, select it with the mouse to release it.
- You will then be prompted with a dialog box telling you the cost and asking you to swipe your MUIaa card to pay for the prints. Once the print job is released, you can be on your way.

## WHAT FORMS OF PAYMENT CAN I USE?

You can either use your Miami ID to pay with your MUIaa account or if you prefer to use cash, then you can purchase a generic MUIaa card through a Value Transfer Station (VTS) machine located in the libraries. If you choose to purchase a generic card, you will be charged \$1.00 to cover the cost of the card. Follow the instructions posted on the VTS machines for purchasing and adding value to your card using cash.

If you want to add money to your MUIaa account using a credit card or from your checking account, please visit [MiamiOH.edu/AddMUIaa](http://MiamiOH.edu/AddMUIaa)

## PRINTING WIRELESSLY

Print wirelessly from your own Mac or PC to any Pay4Print location on campus utilizing the uPrint utility. Visit either [MiamiOH.edu/uPrintMac](http://MiamiOH.edu/uPrintMac) or [MiamiOH.edu/uPRINTPC](http://MiamiOH.edu/uPRINTPC) to download the appropriate uPRINT utility for your laptop.
