

Transfer Course Conversion Guide for Sinclair Community College to Global Miami Plan for Liberal Education

This guide is presented in a format consistent with the Global Miami Plan for Liberal Education. Sinclair courses that will transfer to these liberal education foundation program requirements are listed under each of the five foundation categories. The equivalent Miami course is shown in the brackets []. Courses marked with an (*) also fulfill the historical perspective requirement. All students must take at least one Foundation course that presents a historical perspective. Courses showing (L) designation fulfill the lab requirement.

Note that some academic majors at MU may have specific recommendations for these requirements. Questions regarding these specific requirements should be directed to the divisional offices.
