Miami University Men’s Glee Club

Founded in 1907 by Raymond Burke, the composer of Miami’s Fight Song and Alma Mater, the Miami Men’s Glee Club has maintained a tradition of excellence throughout its first 105 years. Numbering over 100 singers selected by audition from the Miami University community, the Club is among the oldest and largest groups of its kind in the nation.

In 1927, the Club made its first European tour, and since that time, the Club has toured Europe eleven times, most recently in May 2011, where the tour concluded with a performance at the American Rammstein Air Force Base on Memorial Day.

Jeremy D. Jones, Assistant Professor of Music at Miami University, conducts the Collegiate Chorale, Men’s Glee Club, teaches courses in music education, and supervises student teachers. Prior to his appointment at Miami University, Jones completed the Doctor of Musical Arts degree in conducting from the University of Cincinnati College-Conservatory of Music. At CCM, he served as the conductor of the UC Men’s Chorus from 2007-2010. His research on male collegiate glee clubs led to publications in the Choral Journal and a presentation at the 2008 Intercollegiate Men’s Choruses National Seminar.

Photographs will be taken throughout the ceremony. If you would like to have your photo taken with your family or friends, please come to the front platform when the ceremony is finished.
