## COMMUNITY COLLEGE PARTNERSHIPS PROVIDE SEAMLESS PATHWAYS

Miami partners with community colleges in Ohio and Kentucky to provide students at these schools with a well-defined path to a Miami bachelor's degree.

### REGIONALS

## WORK+

Through Work+, Miami University Regionals students can obtain an associate or bachelor's degree while working part time and getting their tuition paid. Work+ makes it possible for you to earn a college degree debt-free.

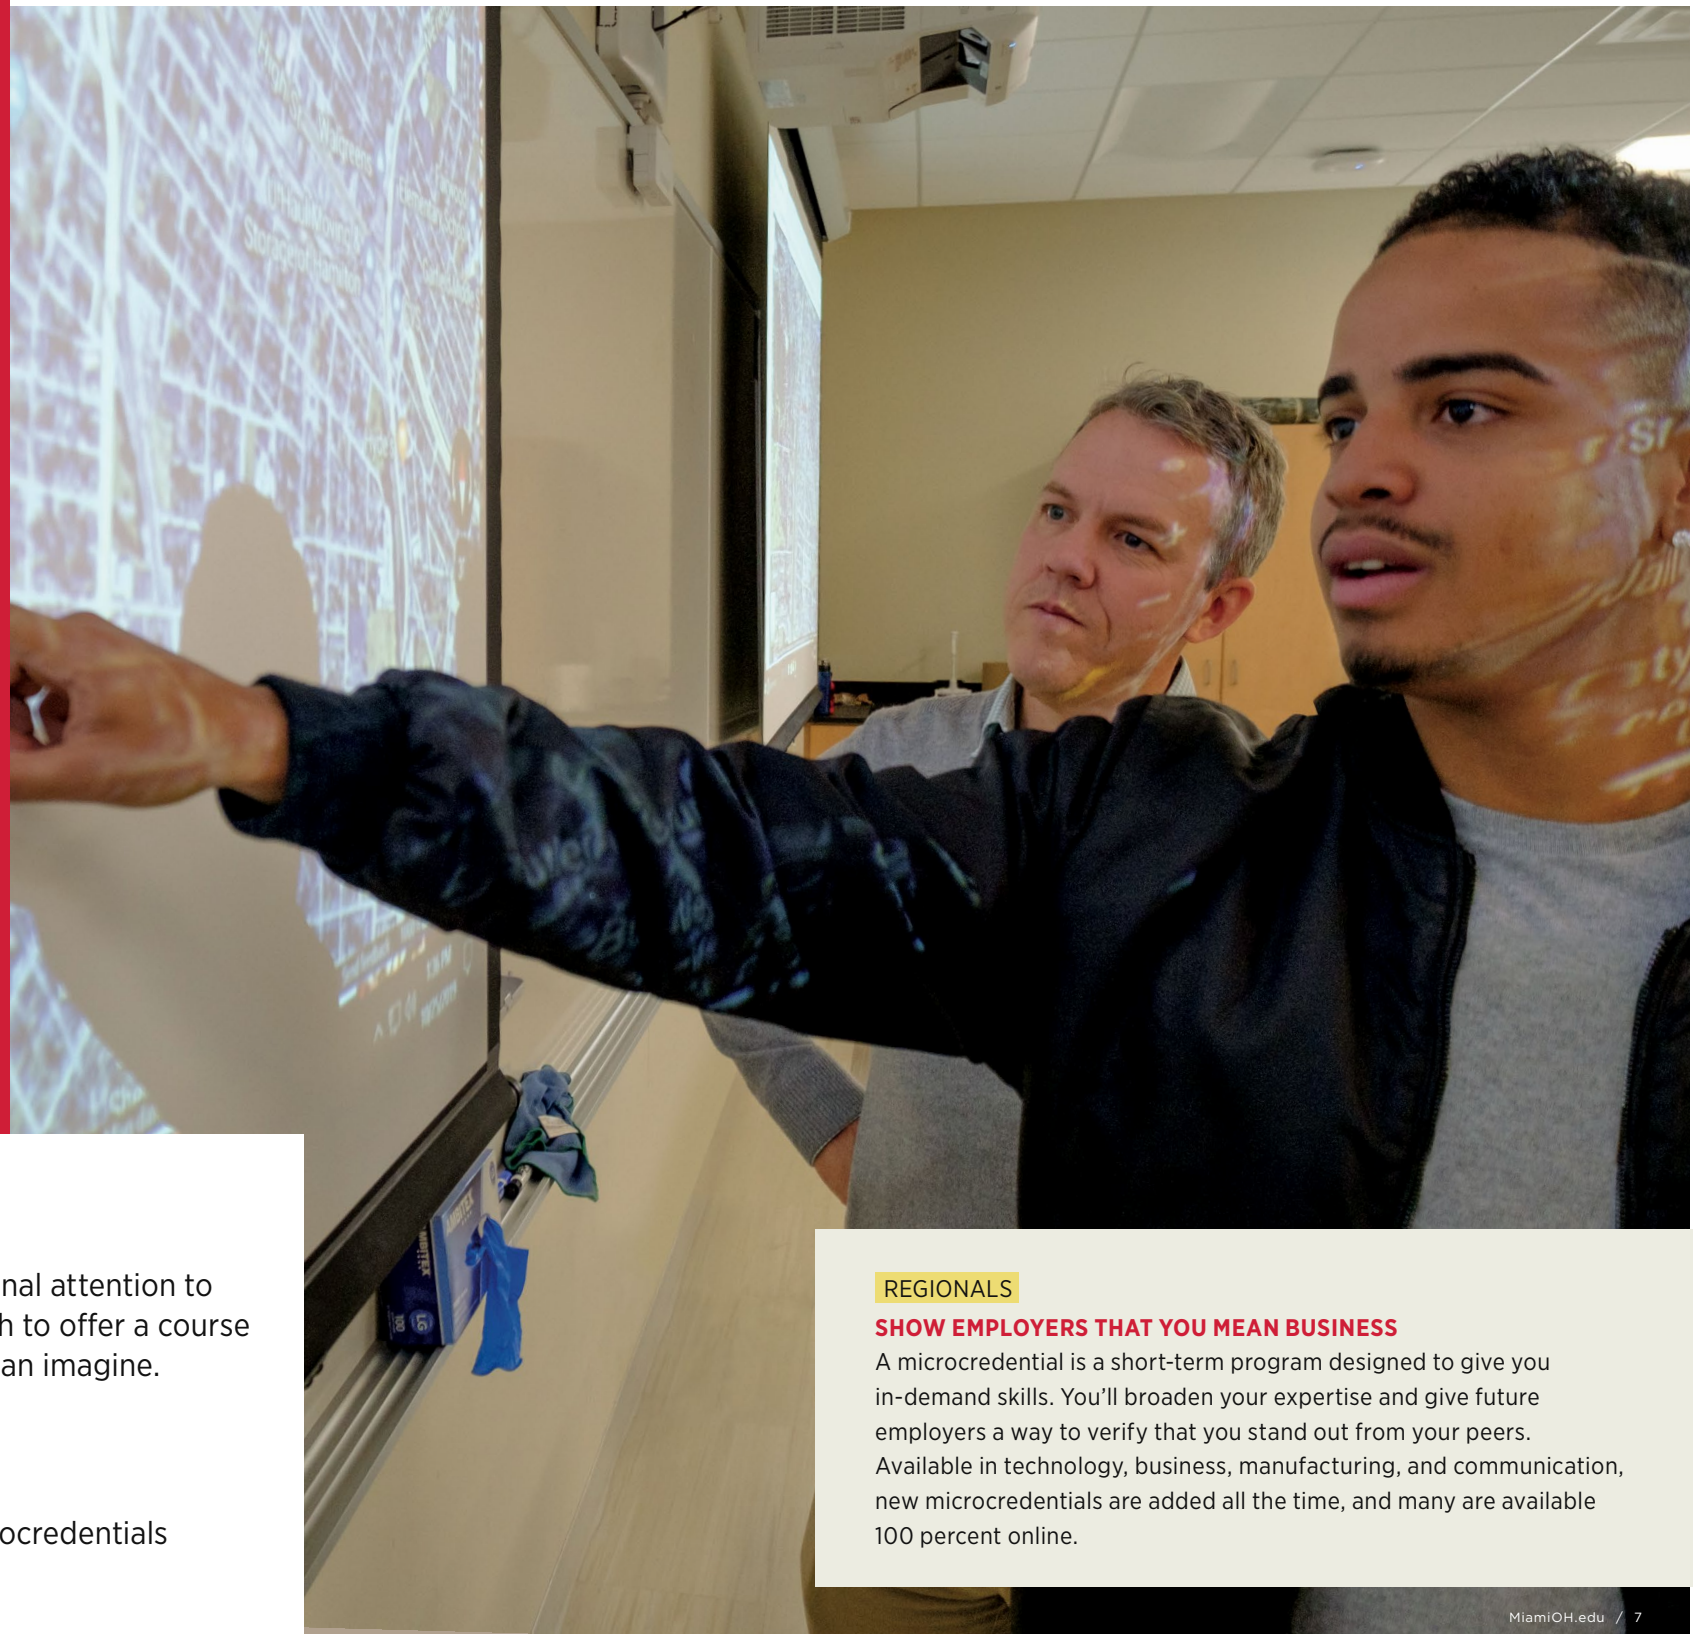

# Academics: Ready for anything

**WHETHER YOU WANT TO LEARN NEW SKILLS** for your current job or prepare for a career that doesn't even exist yet, Miami can help you achieve your goals. Undergraduate students are among our top priorities. That means you'll be mentored by nationally recognized faculty and connected with the most rewarding opportunities.

## FIND YOUR PLACE

Small enough to offer personal attention to every student. Large enough to offer a course of study in everything you can imagine.

- ▶ 100+ Majors
- ▶ 100+ Minors
- ▶ 30+ Certificates and Microcredentials

## REGIONALS

### SHOW EMPLOYERS THAT YOU MEAN BUSINESS

A microcredential is a short-term program designed to give you in-demand skills. You'll broaden your expertise and give future employers a way to verify that you stand out from your peers. Available in technology, business, manufacturing, and communication, new microcredentials are added all the time, and many are available 100 percent online.

# The power to do more

## AT MIAMI, YOU CAN DO AND BE ANYTHING YOU CHOOSE.

While you're preparing for a great career or sharpening your job skills, you'll also lay the groundwork for creating a life that's meaningful for you. Our versatile curriculum makes it easy to combine all your interests. Our flexible study options ensure that you can meet all of your commitments.

### HONORS COLLEGE

Transfer students are eligible for the Honors College, our research-driven learning environment for high-achieving students.

**Oxford:** Consideration at the time of admission.

**Regionals:** Students in the Regionals' honors program can apply for the Honors College.

## MICROCREDENTIALS

Microcredentials allow students to earn market-driven credentials in less time than degree programs. With a focus on working adults, these convenient programs can be accomplished online, in-person, or through hybrid coursework. Learn more at [MiamiOH.edu/Regionals/microcredentials](https://MiamiOH.edu/Regionals/microcredentials).

Our list of majors and minors continues to evolve; please visit [MiamiOH.edu/majors](https://MiamiOH.edu/majors) for details and descriptions.

- <sup>1</sup> Miami offers direct admission to majors in the Farmer School of Business. Once you're in, you're in!
- <sup>2</sup> Co-Majors. Enrolled students may select a co-major to complement their primary major.
- <sup>3</sup> In Exploratory Studies, students explore majors across campus. Academic divisions also offer undeclared options for undecided students interested in opportunities within a specific college or school. All undeclared options allow students to graduate on time.
- <sup>4</sup> 100 percent online option available
- <sup>5</sup> Visit [MiamiOH.edu/Regionals/academics](https://MiamiOH.edu/Regionals/academics) for supplemental application and requirements.

# A career advantage for every student

**MIAMI'S CAREER NETWORK GOES BEYOND THE CAREER CENTER** to include expert advisors, outstanding professors, and passionate alumni. **AT MIAMI, YOU'RE PART OF A COMMUNITY THAT VALUES COMMUNITY.** It's how we learn, how we live, and who we are. Whether you're based on one of our campuses or online, you'll make connections and build relationships in a supportive environment.

## SEE HOW YOUR CREDITS TRANSFER

For an unofficial credit evaluation, use [Transferology.com](https://www.transferology.com) to enter coursework from previous institutions to identify equivalent courses and view course requirements for Miami programs. Upon admission to Miami, you will receive an official credit evaluation.

## RELY ON PREDICTABLE COSTS

Miami's Tuition Promise ensures that most costs (including tuition, housing, food, special purpose fees, and course fees) for new undergraduate students will be frozen for up to four years. This means scholarships and financial aid retain their full value during your education.

## FILE THE FAFSA

For need-based scholarships, grants, and other aid, file the Free Application for Federal Student Aid (FAFSA) as soon as you're able. Students should complete the FAFSA by Feb. 1 for priority packaging.
