# LIVE YOUR BEST LIFE

MIAMI UNIVERSITY

# Love and Honor

YOU'LL HEAR THIS PHRASE A LOT AT MIAMI. **BUT IT'S MORE THAN THAT.**

It's cheering on the hockey team before a midnight run to Bagel & Deli. It's the professor who becomes a mentor who becomes a friend. The family you find in unexpected places.

The mornings the sun rises over academic quad and you realize you're exactly where you need to be.

---

It's our anthem, an identity,  
an attempt to capture  
the magic of this place.

# Loud and proud

## FROM THE LAB TO THE LOCKER ROOM,

we take pride in the company of professors, alumni, and peers who elevate us to our full potential. Our spirit can't be contained.

A photograph of two hikers walking away from the camera on a grassy path in a forest. The hiker on the left wears a red jacket and a white backpack, while the hiker on the right wears a dark jacket and a grey backpack. They are surrounded by tall trees, some with yellow blossoms. The scene is bathed in the warm, golden light of sunrise or sunset, with long shadows and a soft glow. A tall, thin lamppost stands in the background.

Begin your journey of  
Love and Honor.
