# GRADUATION WITH HONORS

Graduation with distinction is awarded at the divisional level as follows: *summa cum laude*, for the top 2 percent in each division; *magna cum laude* for the next 5 percent in each division; *cum laude* for the next 10 percent. These distinctions for the commencement ceremony are determined based on last semester's grade point averages. Degree honors will include grades from the final semester.

*University Honors* are awarded to students who complete first-year, upper-class, and senior course requirements of the University Honors Program and achieve a 3.50 cumulative grade point average upon completion of the required credit hours for graduation.

*University Honors with Distinction* are awarded to University Honors students who complete a senior thesis in addition to the Honors Program course requirements and achieve a cumulative grade point average of 3.50 upon completion of the credit hours required for graduation.

*Departmental Honors* are achieved by students who complete additional study in their major area through a departmental honors program.

# PRESIDENTIAL MEDALLION

The Presidential Medallion, created by Charles E. "Mike" Stousland, Jr., Professor Emeritus of Architecture, represents the seal of Miami University as approved by the Miami Board of Trustees on September 26, 1826, as follows:

"Around the outer circle thereof are the words, 'Sigillum Universitatis Miamiensis.' Within the circle are an open book, a globe, and a telescope, surmounted by these words as a motto: 'Prodesse Quam Conspici' which may be translated 'to accomplish rather than to be conspicuous.' That the said seal be, and the same is hereby adopted as the seal of the Miami University."

The medallion is hanging on a newly hand-sewn ribbon adorned in red and white peepankišaapiikahkia eehkwaatamenki, Myaamia ribbonwork. The ribbonwork pattern is a traditional design of simple elongated diamonds repeated lengthwise. Ribbonwork is an art that Myaamia people developed to decorate clothing after European contact and acquisition of silk ribbons.

The stole worn by the Miami University Board of Trustees symbolizes the bond between the Miami Tribe and Miami University. The left side of the sash lays over the heart and displays the Miami Tribe seal accompanied by the Myaamia words 'niila myaamia' — I AM MIAMI.

The right side of the stole displays the Miami University seal accompanied by the Myaamia words 'kiiloonna myaamiaki' — WE ARE MIAMI.

Miami University is proud to recognize and celebrate the strong bonds of friendship that link the Miami Tribe of Oklahoma with Miami University.

# THE BENJAMIN HARRISON MEDALLION AWARD

The Benjamin Harrison Medallion Award is one of the most significant recognitions Miami has to offer faculty for extraordinary contributions related to teaching, research, and service over the course of their career at the University. One side of the medallion given to the recipient is a likeness of Benjamin Harrison, the 1852 Miami graduate who became 23rd president of the United States, serving from 1889-1893. The other side reads, "For Outstanding Contribution to the Education of the Nation."
