ALUMNI PROFILE

Sakshi Shah '23

Major: Computer Science
Home Country: India

Sakshi developed her technical and professional skills through three internships, which led to multiple, full-time job offers upon graduation. She also strengthened her leadership abilities by serving in key roles with student organizations such as Engineers Without Borders and the CSE Student Leadership Council. Today, Sakshi works as a software developer and shares her experiences and insights through social media to inspire others.

ALUMNI PROFILE

Dongying Lian '19

Majors: Accountancy, Business Analytics
Home Country: China

At Miami, Dongying enhanced her leadership skills through student organizations and projects. Her internship as a tax consultant at Deloitte's Cincinnati office honed her time management and communication abilities, leading to a full-time offer. Additionally, the career fair and networking events connected her with a vibrant network of peers, alumni, and potential employers, paving the way for her career success.

ALUMNI PROFILE

Linh Giang '23

Major: Psychology
Home Country: Vietnam

Linh was a distinguished member of the inaugural cohort of the Presidential Fellows Program. Now, she dedicates her time to tutoring children in economically disadvantaged villages, advocating for education as a means for children to rise above the cycle of agriculture. Additionally, Linh co-founded the Gender Equity and Female Empowerment group, where she promotes awareness of gender equality and works to combat domestic and sexual abuse.
