Dear John,

I am writing to you as a follow up to our various phone conversations over the past few months regarding football scheduling. Our discussions were clear that perhaps we both had some different thoughts on particular years, locations or dates changing – or being eliminated.

As required under Section 20 of the Football Contract between Miami University and the University of Cincinnati, dated August 9, 2017 (the "Agreement"), Miami hereby provides UC with notice that Miami does not intend to play the following football games:

September 6, 2025 at Nippert Stadium
September 9, 2028 at Nippert Stadium

These are the only 2 game dates that we are proposing any change to, and we would expect the remaining games to go on as scheduled that are listed in the Agreement.

As written in Section 19 of the Agreement, Miami is prepared to pay UC \$500,000 for the game in 2025 (as notice is occurring less than 5 years prior to the date of the contest) and \$100,000 for the game in 2028 (as notice is occurring more than 5 years prior to the date of the contest). These monies would be paid separately and no later than December 31st of the year in which each respective game was to occur.

Should you wish to negotiate further on the other dates remaining in the Agreement, please feel free to reach back out to me. All the best in the coming year.

Sincerely,

David Saylor
