Relocation

The President's 2017 Tax Act signed on 3 December 2017 suspended the exclusion from taxable income for recipients of employer-paid moving expenses for taxable years 2018 through 2025, except for certain active-duty members of the armed forces. As a result, IRS regulations mandate that moving expenses reimbursed or paid on behalf of employees constitute taxable income.

The value of this reimbursement is **\$6,250.00** and is included as a taxable benefit on the next paycheck after Payroll receives notification so that appropriate taxes can be withheld. These taxes include federal, state, local, and Medicare, if applicable. This amount is also included on the W-2 Wage and Tax Statement at year-end.
