Special Dietary Needs

Miami Dining is committed to going above and beyond expectations regarding students with special dietary needs. We will accommodate students with special diets due to food allergies, intolerances, and/or medical needs; we do so through partnering with Student Disability Services. We also work with students who follow a special diet. We take into consideration cultural backgrounds, religious affiliations, and lifestyle choices.

For more information, please contact our Registered Dietitian at (513) 529-5552.

General way finding for a vegetarian or vegan student can be found on our Dining website under the “menu” tab. This will take you to our NetNutrion menu database. This site houses all of our menus with the ability to filter based on dietary preference in addition to providing nutrient information.

Nut-Friendly Campus

Since 2017, Miami Dining has been NUT FRIENDLY. This means we do not actively include peanuts and tree nuts (including coconut) in our recipes. There is a variety of labeling when it comes to allergens. We avoid purchasing ingredients that house a “may contain [nuts]” statement in our recipes.

We do however, purchase ingredients that may contain a “processed in the same facility with [nuts]” or “processed on shared equipment with [nuts]” statement. When a recipe or item has this type of statement, we inform our guests with our “processed with nuts” allergen trait.

For those who enjoy nut products, don’t worry! We have packaged nut products in markets and at Pulley Candy Bar. We also have two full service Starbucks on campus that offer nut milks and toppings.

Vending on Campus

Over 225 machines across campus, conveniently located in residence halls and academic buildings. Offering a wide variety of beverages, snacks, healthy options, and more, available 24 hours a day.

Regional Campuses

Miami Dining operations expand onto our Regional Campuses as well. These operations follow the same guidelines as the main campus to carry over with the nut-friendly initiative and special diet accommodations.
2019–2020 Meal Plans

Meal plans at Miami provide flexibility and value to match our students’ needs. They are flexible, transparent, and simple to use! Our Diplomat Meal Plans are a combination of buffet meals plus declining balance dollars. MUlaa is refundable.

**Residence Hall Staff**

The Residence Life staff includes full-time professionals, graduate students, and undergraduate students.

A Resident Assistant (RA) lives in each residence hall corridor to help students make the transition from high school to college and to plan special events so students get to know one another. These carefully selected and trained upperclass students are also familiar with the scheduling process and often share their own knowledge and experience.

A Resident Director will live in your community as well. They will help shape the environment and experiences of residential students.

**Room Assignments**

During the summer, our office works diligently to finalize housing assignments. We strive to meet as many preferences and requests as possible. In order to meet the most preferences, our process takes the majority of the summer. Room assignment information for incoming first year students is sent out by email at the end of July.

**Living Requirements**

At Miami, we highly value the residential experience for student success. All first-year and second-year students are required to live on campus unless they meet one of the following criteria:

- At least 21 years of age before the first day of class
- Have matriculated full-time for at least two years at another institution of higher education or a regional campus (credits must be post high school)
- Commute from the home of a parent or legal guardian

To think in such a place, I have led such a life!
MUBucks

MUBucks is an off-campus debit account, which may be used at a variety of local, non-university businesses, that are part of the “Uptown Bucks” network. The MUBucks account will reside on your Miami I.D. Any student, faculty, or staff member may open an account.

To open an account, visit MUBucks.com. Once there, complete an application form and make payment using credit card or check. You may also call or visit the Uptown Bucks office at 110 N. Beech St.

For a list of participating merchants or to check your current account balance, visit MUBucks.com.

If you have any questions do not hesitate to contact the Campus Services Center at CampusServicesCenter@MiamiOH.edu or in person in Room 034 of the Campus Avenue Building.
**Housing FAQs**

**Q. When will I find out where I’m living?**
A. Housing assignment information will be emailed to your Miami account in late July/early August.

**Q. What linens will I need?**
A. You’ll need to provide your own pillows, blankets, and sheets (which fit 80” x 36” XL twin mattress). You and your roommate(s) may want to coordinate bedspreads and additional items to decorate your room.

**Q. What furniture is provided?**
A. All rooms are furnished with beds, dressers, desks, desk chairs, bed rails, trash can, recycling can, and closets or wardrobes. Due to campus storage space limitations, requests to remove university provided furniture cannot be accommodated. Students are discouraged from bringing their own furniture to campus. Typically, rooms can only safely accommodate the furnishings provided.

**Q. What appliances can I use in my room?**
A. Approved appliances for use in student rooms include stereos, televisions, computers, fans, clocks, lamps, irons, blow-dryers, curling irons, single-serve contained coffee makers, and powerstrip cords with built-in circuit breaker. All items must be Underwriters Laboratory approved.

**Q. How large are the residence hall rooms?**
A. The size of our rooms varies from one residence hall to another, as a result of architectural differences. You will receive the dimensions of your room when you get your assignment in late July/early August. The majority of rooms are multiple occupancy rooms for two people.

**Q. Will I have Internet in my room?**
A. Yes, each room has both wired and wireless connectivity providing access to the internet and local network resources.

**Q. Do I need to purchase property insurance?**
A. Miami does not assume responsibility for the loss of money or valuables, damage to property, or injuries on the premises. If you are not covered under your parent/guardian homeowner’s insurance policy, we strongly recommend that you make arrangements for insurance protection against such losses, such as renters insurance.

**Q. How do I hang pictures (posters)?**
A. You may decorate your walls using molding hooks (“S” hooks), twine, and reusable poster putty. Due to the room damage they create, Command Strips, scotch tape, duct tape, adhesives, tacks, nails, screws, or pins may not be used for any purpose (students are responsible for room damage including the room door). Room decorations must not be affixed to or suspended from the ceiling, light fixtures, smoke detector, occupancy sensors, or sprinkler heads. You may be held financially responsible for the repair and clean-up resulting from an unintentional/intentional activation of a sprinkler head.

A. The following items are prohibited in your room: private loft beds, electric blankets and sheets, hot plates, sun lamps, candles, electric skillets and grills, toaster ovens/toasters/popcorn poppers, open hot pad coffee makers, halogen lamps, wireless router, wireless printer, and non-circuit breaker equipped extension cords.

**NO-NO LIST**
Q. Can I park on campus?
A. A parking permit is required to park on Miami University’s campus at all times unless in a garage or at a meter. Please contact the Campus Services Center at (513) 529-5000 or visit our website at MiamiOH.edu/Parking for questions concerning eligibility for or purchasing parking permits.

Q. Can I have a pet?
A. Pets are not permitted in the residence halls, except for small fish. Tank size cannot exceed five gallons, and tank heaters are not allowed.

Q. What if my roommate and I do not get along?
A. Roommate conflicts are mediated by your Residence Hall Director and Residence Life staff members, who encourage open communication between roommates to come to a mutual resolution.

PAY4PRINT PROGRAM

Pay4Print allows students, faculty, and staff to print, copy, and scan documents in black and white or color at convenient locations across campus using their MUlaa accounts. This program is managed by Miami in partnership with ComDoc (a Xerox™ company). With Miami uPRINT, you can print from public computers available in each area or print wirelessly from your own Mac or PC to any Pay4Print location. For more detailed information on the program, please visit: MiamiOH.edu/Pay4Print.

HOW DO I USE PAY4PRINT?

• Using Pay4Print is simple! At most locations there are public computers available to sign in to, open your document and send it to a print queue.
• Once you send it to the print queue, you can sign-off and end your session on the public computer.
• Near each print device there is a computer release station that shows the print queue. Locate your print job in the list of the queue on the print release station, select it with the mouse to release it.
• You will then be prompted with a dialog box telling you the cost and asking you to swipe your MUlaa card to pay for the prints. Once the print job is released, you can be on your way.

WHAT FORMS OF PAYMENT CAN I USE?

You can either use your Miami ID to pay with your MUlaa account or if you prefer to use cash, then you can purchase a generic MUlaa card through a Value Transfer Station (VTS) machine located in the libraries. If you choose to purchase a generic card, you will be charged $1.00 to cover the cost of the card. Follow the instructions posted on the VTS machines for purchasing and adding value to your card using cash.

If you want to add money to your MUlaa account using a credit card or from your checking account, please visit MiamiOH.edu/AddMUlaa.

PRINTING WIRELESSLY

Print wirelessly from your own Mac or PC to any Pay4Print location on campus utilizing the uPrint utility. Visit either MiamiOH.edu/uPrintMac or MiamiOH.edu/uPRINTPC to download the appropriate uPRINT utility for your laptop.
