

## FERPA RELEASE

The Family Education Rights and Privacy Act (FERPA) is a Federal law that protects the privacy of student education records, both financial and academic. For the student's protection, FERPA limits release of student record information without the student's explicit written consent; however it also gives the student's parent(s)/guardian(s) the right to review their records if the parent(s)/guardian(s) claim the student as a dependent on their Federal Income Tax Return.
