## MR. LEUGERS EARNS MASTER OF ARTS

Congratulations for faculty member Sean Leugers, O.P., M.A., M.Ed. Sean recently earned a Master of Arts degree in Zoology from Miami University with coursework through Project *Dragonfly* and Cincinnati Zoo & Botanical Garden. Since being accepted to the Advanced Inquiry Program (AIP) master's degree in 2013, Mr. Leugers has explored conservation and education at Cincinnati Zoo & Botanical Garden, while also conducting projects that have made a difference in the central Ohio area. He focused his studies on native Ohio amphibians and their ecology.
