Abby Harris has been teaching at FSHS for 5 years. This is also her second year as head coach of the boys and girls cross country team. She is originally from Mt. Vernon, Ohio. Miss Harris graduated from Miami University (OH) in 2010 with a Bachelors degree in Adolescent/Young Adult Earth Science Education. She is currently working towards her Masters in Zoology with a focus in conservation ecology in the Global Field Program also through Miami University and Project Dragon Fly. She anticipates graduating in December 2015. In her free time, Miss Harris enjoys traveling, running, going to the gym, cooking, exploring new things, being outside, and spending time with friends.
