

Open a *World* of Possibilities

STUDY ABROAD OR AWAY

WHAT? Study abroad or away with a Farmer School (FSB) program to earn business credits, visit global companies, make new friends, and experience a new culture.

WHO? You! More than 65% of FSB students study abroad or away and the number grows every year.

WHEN? Spring and fall semesters, winter, summer. Program lengths running from a few weeks to six months.

WHERE? FSB has business-specific programs in more than a dozen countries on four continents, and we're adding more all the time.

WHY? Increase employability, earn academic credit, gain intercultural skills... *and so much more!*

POETS & QUANTS 2022

"I gained skills for working with people who have different cultural and educational backgrounds than myself. I learned not to be afraid to ask questions when I don't understand, and share my own strengths and knowledge with my team. I have also made connections with students around the world, which is really cool!"
