This Agreement is made and entered into on the date below noted by and between Miami University, hereinafter called "University" and the Fraternal Order of Police, Lodge No. 38, hereinafter called "Lodge."

**ARTICLE I
Recognition**

The University hereby recognizes the Lodge as the exclusive representative, for purposes of collective bargaining with respect to wages, hours, and other conditions of employment, of those officers employed by the University's Police Department on the Oxford Campus and classified as Police Officer, excluding all other employees of the University. The following titles were included in the original bargaining unit recognition, but are not currently in use: Criminal Investigator I and Security Officer 2.

**ARTICLE 2
Management Rights**

The University hereby retains each and every right and responsibility enumerated in Ohio Revised Code, Section 4117 .08(C), as well as all those rights, responsibilities, and functions customarily recognized as those of management.

The Lodge recognizes that except as specifically limited or abrogated by the terms and provisions of the Agreement, or by applicable State or Federal law, all rights to manage, direct, or supervise the operations of the University and all of the officers are vested solely and exclusively with the University and/or its designated representatives.

Not by way of limitation of the foregoing paragraphs, but only to indicate the type of matters or rights which belong to and are inherent to the University, the University retains the right except as specifically limited or abrogated by the terms and provisions of this Agreement or by applicable State or Federal law, and subject to the terms of this Agreement to:

1. Hire and transfer officers;

3. Determine the number of persons required to be employed, laid off or discharged;
4. Determine the starting and quitting time and the number of hours to be worked by its officers;
5. Make any and all rules and regulations;
6. Determine the work assignments of its officers
7. Determine the basis for selection, retention, and promotion of officers to or for positions not within the bargaining unit established by this Agreement;
8. Determine the type of equipment used and the sequence of work processes;
9. Determine the making of technological alterations by revising either process or equipment, or both;
10. Determine work standards and the quality and quantity of work to be produced;
11. Select and locate buildings and other facilities;
12. Establish, expand, transfer and/or consolidate work processes and facilities;
13. Transfer or subcontract work;
14. Consolidate, merge, or otherwise transfer any or all of its facilities, property, processes or work with or to any other entity or effect or change in any respect the legal status, management of responsibility of such property, facilities, processes or work;
15. Terminate or eliminate all or any part of its work or facilities.

In addition, the Lodge agrees that all of the functions, rights, powers, responsibilities, and authority of the University in regard to the operations of its work and business and the direction of its work force which the University has specifically abridged, deleted, granted or modified by the express and specific written provisions of the Agreement are, and shall remain, exclusively those of the University and shall not be subject to the grievance procedure.

ARTICLE 3 **FOP Representation**

Non-employee representative(s) of the Lodge shall be admitted to the University's facilities for the purpose of processing a grievance or attending meetings as permitted herein with prior approval by the Chief of Police or his designee. Upon arrival, the Lodge representative shall identify himself to the Chief or his designee.

The University shall recognize three (3) officers, designated by the officers of the certified bargaining unit and approved by the Lodge, to act as Lodge representatives for the purposes of representation as outlined under this Agreement.

No officer shall be recognized by the University as a Lodge representative until the Lodge has presented the University with written certification of that person's selection as a Lodge representative by the officers of the certified bargaining unit.

Rules governing the activity of Lodge representatives are as follow:

- a) The Lodge agrees that no official of the Lodge, employee or non-employee, shall interfere, interrupt, or disrupt the normal work duties of other employees. The Lodge further agrees not to conduct Lodge business during working hours except to the extent specifically authorized herein.
- b) The representatives shall be permitted reasonable time to investigate, present, and process formal grievances on the University's property without the loss of pay during their regular working hours, provided that in each and every instance where such time is required, only one representative is assigned to a grievance, and the length of time and the time period within the working hours during which such investigation, presentation and/or processing is to take place shall be agreed upon in advance by the Lodge representative and the supervisor and/or the Chief. The representatives shall make all reasonable efforts, however, to process all grievances during non-work hours.
- c) The Lodge employee official shall cease unauthorized activities immediately upon the request of the Chief.

ARTICLE 4 **Rules and Regulations**

The University shall have the right to make, amend, change and enforce rules and regulations not inconsistent with the specific terms of this Agreement.

ARTICLE 5 **Non-Discrimination**

The University and the Lodge agree that equal opportunity shall be assured in hiring, promotion, retention, training, and other personnel matters regarding all employees without regard to sex, race, color, religion, national origin, disability, age, sexual orientation, gender identity, pregnancy, military status, or veteran status. Discrimination against any individual for the above reasons is specifically prohibited, except where sex, age, or other qualification is a bona fide occupational qualification. The University shall effect its policy of equal employment

opportunity through a positive and continuing affirmative action program.

ARTICLE 6 Grievance Procedure

A grievance is a dispute over the interpretation, application or alleged violation of the Agreement. Pending a decision on a grievance, management's order shall be followed as given with regard to the officer(s) involved. Any officer who desires representation at any level above Step 1 of this grievance procedure, may upon request, have such representation present provided the aggrieved officer is also present.

All grievances must be submitted in writing and should contain the following information (see grievance form in addendum):

- Grievant's name and signature;
- Date, time and location of grievance;
- Description of incident giving rise to the grievance;
- Date grievance was filed in writing;
- Article(s) and section(s) of the Agreement alleged to have been violated; and
- Desired remedy to resolve grievance.

A. Time Limits

It is important that, complaints and grievances be processed as quickly as possible at each administrative level. The number of days indicated herein at each level should be considered as a maximum. The time limits specified for Steps 1 through 3 may be extended by mutual agreement between the University and the officer or his/her designated representative.

If a grievance is not presented within seven (7) calendar days of its occurrence or seven (7) calendar days of when the officer became aware of its occurrence it shall be considered not to have existed. In the event that the University does not respond to a grievance within the specified time limits, the grievance may be appealed to the next step of the grievance procedure.

Days as used herein, means all days, exclusive of recognized holidays for either party .

All grievances must be presented at the proper step and time in progression in order to be considered at the next step. A group grievance shall be initiated at Step 2. Grievances regarding written reprimands shall be initiated at Step 3. In the case of discharge or suspension, where a pre-disciplinary conference has been conducted before the Associate Vice President of Human Resources or his/her designee, all steps of the Grievance Procedure will be considered exhausted as of the date of discharge/suspension. The Lodge may request arbitration, thereafter, in accordance with the arbitration provisions of the Article.

B. Steps

Step 1 : The officer shall submit his/her complaint or grievance to the officer's immediate supervisor, i.e., the Sergeant so designated. The supervisor shall attempt to resolve the matter and shall respond to the officer within seven (7) calendar days.

Step 2: If the grievance has not been settled, it may be submitted in writing to the Chief within seven (7) calendar days after the immediate supervisor's response was due.

The Chief or his designee shall render a decision in writing to the officer within seven (7) calendar days following the meeting, or receipt of the written grievance, whichever occurred

later.

A copy of the Chief's decision shall be sent to the Associate Vice President of Human Resources or his/her designee and the Lodge.

Step 3: If the grievance still remains unresolved, it may be presented in writing to the University Associate Vice President of Human Resources or his/her designee within seven (7) calendar days after the Chief's response was due.

The aggrieved or the Associate Vice President of Human Resources or his/her designee may request a meeting to discuss the written grievance appeal from Step 2 to Step 3. If such a meeting is requested, it shall be held within seven (7) calendar days following the receipt of the written grievance appeal by the Associate Vice President of Human Resources or his/her designee.

The Associate Vice President of Human Resources or his/her designee shall render a decision in writing to the officer within seven (7) calendar days following the meeting or receipt of the written grievance, whichever occurred later.

A copy of the Associate Vice President of Human Resources or his/her designee's decision shall be forwarded to the Lodge.

C. Mediation

After the issuance of the Step 3 response, either party may request that the matter be addressed in mediation with the assistance of a mediator appointed by the FMCS to conduct a grievance mediation service. If the parties agree to mediate, the timelines of the grievance process shall be suspended at that point and shall remain suspended until the conclusion of the mediation or sixty days whichever is earlier. The session will be done in an informal manner as determined by the mediator. The mediator will attempt to resolve the dispute and may make recommendations to the parties regarding the settlement of the dispute. The recommendations of the mediator are not final and binding and any settlement of the grievance at this step will be based upon the mutual agreement of the parties. All mediation proceedings shall be conducted in accordance with and subject to the Uniform Mediation Act, Ohio Revised Code Sections 2710.01 et seq. and the mediation rules of FMCS.

Written materials presented to the mediator will be returned to the party presenting them at the conclusion of the mediation conference.

Actions taken as a result of mediation are not precedent-setting nor do they constitute University policy or practice.

The grievant shall have the right to be present at the mediation conference.

The University and the Union shall have not more than three (3) representatives present at the mediation.

The parties agree to mediate all termination disciplinary grievances appealed beyond Step 3 of the grievance process. The mediation process outlined in section C of this article will be followed with the exception of the timelines. The parties agree that the mediation meeting must be scheduled and held within sixty (60) calendar days of the Step 3 response or this step is forfeited.

D. Arbitration

Any grievance which is not resolved through the grievance procedure may, at the request of the Lodge, be submitted to arbitration. Notice of the request for arbitration must be served on the University in writing, within forty-five (45) calendar days from the date on which the Lodge received the Associate Vice President of Human Resources' Step 3 decision, or within seven (7) calendar days following the next regular Lodge meeting after receipt of the Step 3 decision, whichever is sooner.

Any notice for arbitration shall contain a written statement setting forth the complaint in detail and the provision, terms or conditions of this Agreement, which the Lodge believes, have been violated. This statement shall serve as the basis for the proceeding in arbitration, and shall be served on the University's Associate Vice President of Human Resources along with the request for arbitration.

Upon requesting arbitration, the Lodge shall notify the Cincinnati Office of the American Arbitration Association, and request that a panel of seven (7) arbitrators be forwarded to the Lodge and to the University's Associate Vice President of Human Resources. The Lodge shall instruct the American Arbitration Association that each member of the panel shall have an office in Ohio, Indiana, or Kentucky. Thereafter, the Arbitrator shall be selected in accordance with the rules of the American Arbitration Association, and the arbitration hearing shall be conducted in accordance with such rules.

The decision of the Arbitrator shall be final and binding upon the parties hereto as to all matters within his/her jurisdiction and scope of authority.

The Arbitrator shall have only the authority to interpret, apply or determine compliance or non-compliance with the provisions of the Agreement and exhibits thereto. The Arbitrator shall not have the authority to add to, subtract from, modify or alter any of these terms. The Arbitrator shall be limited in his/her authority to a review and determination of the specific grievance submitted to arbitration.

Each party shall bear the expense of preparing and presenting its own case. The cost of the arbitrator, stenographic recording, and hearing room shall be borne equally by the parties.

ARTICLE 7 **Labor Management Committee**

In the interest of furthering harmonious relations, a joint committee of not more than six (6) members, half from management and half from the bargaining unit, will convene at the request of either labor or management, but not more than once every three months for purposes of discussing work related issues. Management members shall be selected by management and police officer members shall be selected by the Lodge. Such meetings shall be arranged in advance and/or will convene at a time convenient to both parties. Such meetings shall be advisory, discretionary, non-binding, and not subject to the provisions of the grievance procedure. An agenda of items for discussion will be submitted at the time the conference is requested. Additional matters may be introduced by either side during such meetings. Either party may terminate a meeting at any time, or any agreement made during a labor/management committee conference shall be reduced to writing

ARTICLE 8
Work Practices

- A. The calendar workweek is a period of seven (7) consecutive days commencing at 12:01 a.m. on Saturday and ending at midnight on the following Friday.
- B. A regular work period shall consist of eight (8) days, ten (10) hours in length, during the two-week pay period. The actual schedule of hours and days to be worked by officers, along with reporting locations, shall be determined by management in accordance with the regular work period. Schedules and locations may be changed from time to time, and the regular work period may be temporarily adjusted, if needed to meet the requirements and needs of the University. Except in cases of discipline, furlough or approved time off without pay, officers will be scheduled eighty (80) hours per two-week pay period.
- C. Officers shall be expected when necessary, to perform overtime work as assigned, whether on a call-in, hold-over, or scheduled overtime basis. Management will determine what constitutes an overtime opportunity. If the management of the Police Department is aware of the need for overtime work eight (8) or more calendar days in advance of the date on which the need for overtime is required, the management of the Police Department shall post for sign-up on a voluntary basis. The posting shall be removed five (5) calendar days in advance of the date on which such overtime is required. Full-time officers will be given preference for voluntary overtime assignments. In the event there are insufficient volunteers for the overtime, and in those cases where no posting is made because of the fact that the management of the Police Department has less than eight (8) calendar days advance knowledge of the need, the management of the Police Department may assign officers to work the overtime required.
- D. Work schedules shall be posted five (5) days in advance. Once posted, change in an officer's schedule shall be avoided, except in case of emergency, and except as required by Paragraph E below. Where such changes are made without five (5) days advance notice, except as a result of Paragraph E, below, the officer shall be paid at the rate of time and one-half (1/2) his/her regular, straight time rate of pay for those hours worked outside originally scheduled hours. This shall not prevent, however, required connecting overtime and/or call-out.
- E. When permanent vacancies occur in those work schedule assignments in place as of the effective date of this Agreement, or when changes in such assignments are otherwise required, officers within the affected classification(s) will be permitted to bid on the newly available assignments in order of seniority. Subject to necessary qualifications, assignments will be made to such vacancies in accordance with seniority preferences.
- F. An officer who is required to work a detail outside of his/her regularly scheduled work hours shall receive four (4) hours work, or four (4) hours pay in lieu thereof, provided the assigned detail ends more than two (2) hours before the beginning of a regular work shift, or begins more than two (2) hours after the end of a regular work shift. If the assigned detail begins or ends within two hours of a regular shift, the officer shall work through so the hours are connecting and will be paid only for the hours s/he actually works. Events attended by members of the department's Community Relations. Team as part of their community relations assignment are considered required details for the purposes of this provision.
- G. Any officer assigned to act as in charge and working a minimum of one (1) hour in charge, will be paid a seven percent (7%) premium for all hours so serving.
- H. All hours in excess of eighty (80) straight time hours in a two-week pay period shall be paid at time and one-half (1/2) the officer's regular straight time rate of pay or in compensatory

time off at the officer's option. No officer shall be allowed to carry a balance of more than one hundred twenty (120) hours of unused compensatory time. Compensatory time may be utilized only at a time that is convenient to the University and with approval of the employees supervisor. Straight time hours actually worked, compensatory time used, vacation, sick leave, and holidays count toward the eighty (80) hours break over point for overtime.

- I. A certified Field Training Officer (FTO) assigned to train a new officer shall, upon completion of the training assignment and all required documentation receive a lump sum payment of \$350.00 providing the FTO has worked at least 120 hours with the trainee.

New officers are normally assigned to each FTO for at least 160 hours. In the event the trainee misses any of those hours due to sickness, approved leave, or an alternative assignment, the trainee's assignment to that FTO will be extended by the number of hours missed.

Selection for Field Training Officer certification and subsequent training assignments as well as selection for the Community Relations Team will be made at the discretion of management and shall not be subject to the grievance provision of this contract.

Officers acting simultaneously as both FTO and OIC shall be eligible for both the OIC premium as well as the lump sum payment.

- J. Officers will be compensated for travel time in accordance with state and federal laws. Any officer who engages in travel for the benefit of the University shall be considered "on duty." In instances where overnight accommodations are provided and an officer elects to commute, the officer will not be compensated for the commute time nor will the officer be considered "on duty."

ARTICLE 9 Holidays

- A. Each officer covered by this Agreement shall be entitled to eleven (11) paid holidays per year. The holidays shall be New Year's Day (January 1), Martin Luther King Day (third Monday in January), Presidents' Day (third Monday in February), Memorial Day (last Monday in May), Juneteenth (June 19), Independence Day (July 4), Labor Day (first Monday in September), Columbus Day (second Monday in October), Veterans Day (November 11), Thanksgiving Day (as declared by President), and Christmas Day (December 25). Any officer who is normally scheduled to work on a day that the holiday is observed, shall receive holiday pay for the hours normally scheduled to work not to exceed ten (10) hours. Should a holiday be observed on a day that an officer is not normally scheduled to work, the officer shall receive eight (8) hours of holiday pay.
- B. Each holiday shall be observed on the date noted in Paragraph A, above.
- C. Officers scheduled or required to work on a holiday shall be paid one and one-half (1 1/2) times their regular straight time hourly rate for all hours worked, in addition to the holiday pay at their straight time hourly rate of pay. To the extent permitted by law, compensatory time may be granted, at the officer's request, in lieu of overtime pay, for hours actually worked on a holiday.
- D. All hours worked on a holiday shall be excluded from other work hours for the purpose of calculating weekly overtime.

- E. An officer who is on vacation leave at the time a holiday is observed by the University shall be paid holiday pay as described herein in lieu of vacation hours.
- F. To be eligible for holiday pay (i.e., the eight (8) hours pay for not working) an officer must work all assigned hours on the holiday. He/she must also work his/her last scheduled workday prior to the holiday, and his/her first scheduled work day after the holiday unless excused by reason of illness or other proven event beyond the officer's control.
- G. An officer who is on leave of absence, furlough, layoff, unauthorized absence or other unpaid leave at the time of a holiday shall not be eligible for holiday pay.
- H. Management will work with the Lodge to determine which officers shall be assigned holiday work. These determinations will be made in a fair and equitable manner and will occur after the period in which the annual and vacation schedules are set; typically in October/November. Levels of holiday staffing will be determined by management.

ARTICLE 10
Vacation

- A. For each 80 hours of active pay status during the bi-weekly pay period, employees shall accrue vacation at the following rates:

Years of Service	Biweekly Accrual
0-6	3.10 hours
7-13	4.62 hours
14-20	6.16 hours
21+	7.70 hours

Employees will begin accruing at the succeeding higher level in the pay period immediately following attainment of years of service requirements. One year of service shall be computed on the basis of twenty-six bi-weekly pay periods. Employees who are in active pay status for less than eighty hours in a pay period shall earn vacation leave on a prorated basis. The ratio between the hours reported and the vacation hours earned shall be based upon eighty hours in a pay period and the amount of service as provided for in this article.

- B. No vacation may be taken until the officer has completed one (1) year of Ohio public service employment. Thereafter, vacation may be taken subject to advance approval.
- C. The availability of dates and number of officers permitted on vacation at any given time shall be determined by the University.
- D. Within each vacation group (watch) preference for vacation time shall be based on seniority. However, in November of the preceding year, an opportunity will be given to select vacation periods for the upcoming calendar year, on a seniority basis, and any period so selected shall be protected from later displacement by a more senior officer. Vacation requests thereafter shall be granted to the extent consistent with Department operations on a first request basis.
- E. Vacation entitlement may be accumulated to a maximum of 78 times the number of hours which the respective officer may earn per bi-weekly pay period under the formula set forth in Paragraph A, above. An officer will not accrue vacation while the balance is at the maximum permitted.
- F. Once a vacation request has been approved it shall not be changed without the consent of the officer except in case of emergency. Financial hardship on the part of the officer will be considered in determining if the approved vacation will be changed.

ARTICLE 11
Leave of Absence

- A. Except as otherwise noted in the collective bargaining agreement, application for an unpaid leave of absence may be granted for the following reasons:
- 1) Military service;
 - 2) Medical leave to care for a spouse, child, parent or domestic partner;
 - 3) Medical leave for personal health condition.
- B. Military Service is granted pursuant to any applicable state and federal laws.
- C. Unpaid Medical Leave
- 1) For all purposes and all leaves of absences, including but not limited to those referred to in this Article, the University will comply with and exercise its right under and pursuant to the Family Medical and Leave Act (FMLA). The FMLA provides qualifying employees job-protected leave due to a serious health condition that makes the employee unable to perform his/her job, or to care for a sick family member, or to care for a new child (including by birth, adoption or foster care). For more information please contact the Department of Human Resources or refer to the Miami University Policy and Information Manual Section 4.7. Officers are entitled to leave under the Family Medical and Leave Act.
 - 2) An officer who exhausts all paid time off to which s/he is entitled, but remains unable to work due to his/her own medical condition, may apply for and receive an unpaid leave of absence in accordance with the schedule and terms set forth below:
 - a. Officers with five (5) years or less of continuous Miami service are not entitled to an unpaid medical leave in excess of the leave provided under the Family and Medical Leave Act.
 - b. Officers with more than five (5) years, but less than ten (10) years of continuous Miami service may take unpaid medical leave for a period up to 180 calendar days. During the first 90 calendar days of unpaid leave, the University shall maintain the officer's health insurance upon the same terms and conditions as other bargaining unit employees.
 - c. Officers with ten (10) or more years of continuous Miami service may take unpaid medical leave for a period up to 365 calendar days. During the first 180 calendar days of unpaid medical leave, the University shall maintain the officer's health insurance upon the same terms and conditions as other bargaining unit employees.
 - 3) The officer must give notice of intent to return from an unpaid medical leave of absence for personal health reasons and provide evidence of his/her ability to return to work from the officer's health care provider (fitness for duty certification). Upon return from an approved unpaid medical leave, the officer will be reinstated to his/her same classification.
 - 4) Where an officer exhausts all rights provided under the Family and Medical Leave Act and is unable to return to work after the expiration of his/her approved unpaid medical leave or is not eligible for an unpaid medical leave, the officer's employment will be terminated.

ARTICLE 12
Insurance

The University shall provide to the officers the group insurance plan (hospitalization, basic medical, major medical, dental, life, accident and dismemberment and long-term disability, and flexible spending account programs) presently provided to non-bargaining unit employees of the University. During the effective period of this Agreement, the same or similar plan or group of plans will be provided by the University, but changes made in the plan which affect non-bargaining unit employees will also extend to the employees covered herein. However, the University reserves the right to change the present or successor insurance carriers, and to designate an alternate carrier, or carriers, of its own choice in lieu thereof.

ARTICLE 13
Seniority

- A. Seniority shall be computed on the basis of uninterrupted length of continuous service in the bargaining unit, except as follows:
- 1) An officer who accepts a position outside of the bargaining unit or is laid off and subsequently returns to the bargaining unit within 365 calendar days from the date of promotion, layoff or transfer, shall have no break in bargaining unit seniority.
 - 2) An officer who accepts a promotion to a higher rank outside of the bargaining unit and returns to the bargaining unit after a period greater than 365 calendar days shall have his/her seniority reset to the return date to the bargaining unit. After six (6) months, the officer's seniority shall be retroactive to his/her most recent date of hire into the police department.
- B. An officer shall have no seniority during his/her probationary period. Upon completion of the probationary period, seniority shall be retroactive in two ways:
- 1) For the purposes of the University benefits seniority shall be retroactive to the officer's most recent date of hire into the police department. For the purposes of vacation accrual only, service with all State and Municipal agencies shall be counted.
 - 2) For all other applications of seniority, seniority will be retroactive to include all prior time served in current rank.
- C. Seniority shall be broken and terminated only when an officer:
- 1) Quits;
 - 2) Is discharged;
 - 3) Is laid off for a period of more than twelve (12) consecutive months;
 - 4) Fails to return to work at expiration of leave of absence and in accordance with the terms of such leave.

ARTICLE 14
Layoff and Recall

In the event the university decides to reduce the work force, officers will be laid off in accordance with this procedure:

- A. The University shall determine which classification(s) is to be reduced and the number to be reduced in such classification(s). Officers in the affected classification(s) will be laid off in the following order of appointment type:
 - 1. Probationary
 - 2. Temporary
 - 3. Part-time
 - 4. Full-time
- B. The officer in the classification to be reduced with the least seniority will be laid off first and so on until the total number of officers to be laid off in the classification(s) have been reached.
- C. An officer laid off from his/her classification may exercise seniority rights to displace the least senior officer in the next lower classification in his/her classification series if such person is a less senior officer.
- D. If an officer who is laid off from his/her classification is unable to exercise seniority rights for lack of seniority, or if he/she chooses not to exercise seniority rights he/she shall be laid off from the University.
- E. If the University decides to increase the work force or fill vacancies in classifications from which officers are on layoff, laid off officers will be recalled in reverse order to that in which they were laid off; provided that such officer has not been continuously laid off from the University for more than twelve (12) months.
- F. A laid off officer shall retain seniority rights for recall twelve (12) months from his/her date of layoff, after which all seniority and recall rights shall be forfeited.

ARTICLE 15
Discipline and Demotion

Any discharge, demotion, suspension, or other disciplinary action shall be for just cause. Every newly hired employee shall be required to successfully complete a probationary period. The probationary period shall begin on the first day for which the employee receives compensation from the University and shall continue for a period of one (1) calendar year, except that time spent in any approved "no pay status" during the probationary period will not count toward the probationary period. Any discharge of a probationary officer shall not be subject to the grievance provision of this Agreement and shall not be subject to appeal or recourse to any other agency, institution, or forum.

Any employee promoted to a higher level classification, shall be required to successfully complete a probationary period of one (1) calendar year. During such probationary period, at the discretion of the University, he/she may be returned to his/her former classification. Such return to the former classification shall not be subject to the grievance provision of this Agreement and shall not be subject to appeal or recourse to any other agency, institution, or forum.

After a disciplinary entry has appeared in an employee's personnel file for more than two (2) years, it shall be removed if the employee or the employee's department head requests such

removal and the University's Associate Vice President of Human Resources concurs.

ARTICLE 16

Fee Waiver, Parental Leave, Travel Pay and Sick Leave

The current University regulations and policy on Tuition Fee Waiver, Parental Leave, Travel Pay and Sick Leave for the benefit of bargaining unit employees and their dependents, as the case may be, shall remain in effect through the term of this Agreement.

ARTICLE 17

Detective Assignment

- A. All vacancies in the position of Police Officer shall be entry level positions and may be filled by the University as it deems proper. All vacancies for the detective assignment shall be filled by from among the officers who have completed their initial probationary period.
- B. Where assignment as a detective is defined as temporary, the assignment will normally be for a specific length of time, not to exceed thirty-six (36) months, as stipulated in the posting. Should exigent circumstances exist that would necessitate a detective's assignment being extended or shortened, such action will require mutual agreement between management and the Lodge. Temporary assignments to investigations for shorter periods of time may be made as necessary.

Where management determines that an emergency situation exists and resources need to be redeployed to the detective bureau, an officer may be reassigned without following the posting process. This reassignment would not exceed ninety (90) days.

The number of detective assignments available will be determined by management. Assignment to detective position will be made using the following process:

The vacancy will be announced for a minimum of ten (10) days and interested candidates will submit letters of interest to the detective supervisor. Applicants will be interviewed by a three (3) member panel. The panel will recommend the candidate to the Chief of Police. The Chief of Police will make the final determination.

In selecting an officer for a detective assignment, applicants must meet the minimum qualifications for the position.

Prior assignment to a detective position will not preclude an officer from seeking another assignment; however, preference will be given to qualified officers who have not previously served as a detective.

Management reserves the right to assign officer(s) to a detective's assignment in the event that no one applies when a vacancy is posted.

Management may remove an officer from a temporary detective assignment prior to the specified end date. The removal is not subject to the grievance provision of the Agreement.

Officers assigned as a detective will receive a premium of \$0.50 per hour added to their base pay for the duration of the assignment. Once the detective assignment has ended, the officer will no longer be entitled to the premium pay.

ARTICLE 18
No Strike and No Lockout

The Lodge agrees that during the term of this Agreement, neither the Lodge, nor its agents, nor its members nor any member of the bargaining unit, individually or collectively, will authorize, instigate, aid, condone, encourage, or engage in any work stoppage, slowdown, strike, picketing, sit-down, boycott, stand-in, sick-out or other suspension or interference with the work, business or operations of the University, including but not limited to sympathy strikes or slowdowns. The University agrees that during the same period there shall be no lockouts.

In order that the intent and purpose of the Article may be effectively executed, the Lodge agrees that the University may take disciplinary action, including discharge, against any officer who may violate the foregoing provisions of this Article.

Should any of the activities prohibited by this Article occur, the Lodge and its officers, agents and members shall be obligated to take all necessary affirmative steps to terminate such activity. This shall include any obligation to deliver written instructions to each officer involved in such activity. It shall also advise the officer(s) that continuation of such activity may result in discharge. Such notice shall be delivered to the officer(s) within twenty-four (24) hours of a request for same by the University.

Each possible penalty and/or remedy referenced in this Article shall be in addition to those available under Ohio Revised Code, chapter 4117 and/or common law.

ARTICLE 19
Entire Agreement

It is expressly recognized by the Lodge that during bargaining toward this Agreement it had the full and unbridled right and ability to negotiate with respect to every subject on which bargaining is mandatory. Therefore, this Agreement constitutes the entirety of the agreement between the parties, and during the term of the Agreement, the Lodge expressly waives the right to bargain with respect to any and all subjects, whether or not such subjects are specifically treated in the Agreement.

It is further agreed that this Agreement supersedes and exists to the exclusion of any and all provisions, language, procedures, and subject matters applicable to public employees in Chapter 124 of the Ohio Revised Code and/or the rules of the Ohio Department of Administrative Services. Equally inapplicable to employees covered by this Agreement are any and all provisions of the Ohio Revised Code dealing with wages, hours, compensation or other terms or conditions of employment.

Only employee discipline may be made to the Board' of Review as provided in Article XV.

Nothing contained in this Agreement shall interfere with any statutory right an employee may have to workers' compensation, unemployment compensation, and retirement benefits.

ARTICLE 20
Personal Leave

Effective with the payroll period in which July 1 of each year falls, officers will have accrued sick leave hours converted to leave hours in accordance with the following conversion schedule:

<u>Accrued Sick Leave Hours</u>	<u>Eligible Personal Leave Conversion Hours</u>
0-79 hours	0
80-359 hours	10
360-719 hours	14
720-959 hours	18
960-1199 hours	22
1200 hours or more	26

Personal leave hours may be used during the year following the conversion, through the end of the pay period during which June 30 falls. In the event that an individual does not utilize all his/her personal leave hours by June 30, any remaining hours will be converted back to sick leave hours. Personal leave hours are not eligible to be paid as terminal pay in the event of resignation, retirement or death. When utilizing personal leave hours, the Time Turn-Around Document should be completed using personal leave as the earning type.

ARTICLE 21
Savings

If any provision of the Agreement is found to be unlawful by any court of law, or invalid by any tribunal of competent jurisdiction, that provision will be automatically terminated, but all other provisions of the Agreement will continue in full force and effect. The parties agree to reopen negotiations for the purpose of negotiating lawful and valid alternative language of that provision found to be unlawful or invalid.

ARTICLE 22
Dues Deduction

The University agrees to deduct and remit to the Lodge periodic dues, initiation fees, and assessments of members of FOP Lodge 38 upon presentation of written deduction authorization by the member of the bargaining unit. It is agreed that the written deduction authorization specified shall be irrevocable for the term of this Agreement and that said authorization shall stipulate that the same is irrevocable for the term of this Agreement and that thereupon the University will treat the same as irrevocable during the term of this Agreement irrespective of any attempts to negate said authorization. Should any member of the bargaining unit not become a member of the bargaining unit or upon ratification of this Agreement, the University upon written request and certification by the Lodge as to the facts will deduct a fair share from said member's pay pursuant to and by virtue of the authority provided in the Ohio Collective Bargaining Law. The Lodge agrees that any such fair share officer will be fully represented by the Lodge the same as if he or she were a member of the Lodge and will be entitled to attend and participate in any meeting involving only the bargaining unit, will be entitled to vote on the contract with the University as well as any and all contract matters or provisions in the same manner as are members of the FOP Lodge No. 38.

ARTICLE 23
Classification and Pay Program

A. Pay Structure

- a. The pay structure consists of one (1) base rate for cadets, and a pay range consisting of a base rate minimum and maximum for officers. Total pay for an officer consists of the base rate, and experience/performance premium pay. There are two (2) classifications: Cadet and Police Officer. A Police Cadet is a sworn officer who has not completed basic training. A Police Officer is a law enforcement professional who successfully completed basic OPOTC training.

B. Annual Increases and Pay Rates

- a. The base pay scale minimums and maximums are as follows:

EFFECTIVE JULY 1, 2021

Police Officer	\$28.15	\$32.27
Cadet	\$20.57	\$20.57

An officer whose most recent evaluation is satisfactory shall qualify for an increase. In addition, an employee must be hired by April 1 of that year to qualify for the increase. Only officers whose base rate is less than the maximum shall be entitled to the annual pay increase. Cadets are not eligible for an annual increase. Increases shall take effect at the beginning of the payroll period that includes July 1.

Effective the payroll period including July 1, 2021, qualified bargaining unit members will be paid according to the Police and Miami Experience Chart in section C.

Unless otherwise stipulated, the amount of the annual increase shall be determined by calculating the percent of the established pay increase pool on the average rate of pay (excludes detective premium pay) to determine an hourly increase. For example, if the established pay increase pool is 2.0% and the average officer pay is \$30.00, the hourly increase for each officer below the maximum would be \$.60 per hour.

During Fiscal Year 2023 and Fiscal Year 2024, if classified non-union bargaining unit employees of the University receive a general increase, the same increase percentage will be provided to qualified bargaining unit employees in accordance with the pay program.

Bargaining unit members who are at the maximum shall receive a bonus payment worth 100% of what the raise would have been. The bonus will be paid in two equal installments with the first payment on the payroll that includes July 1 and the second on the payroll that includes January 1. The premium pay for serving as a detective as outlined in Article 17 and the experience/performance premium pay referenced in this article will not count towards the pay maximums. No officer shall be paid less than the pay minimum.

C. Experience/Performance Premium Pay

Police Officers will receive an experience/performance increase when they reach a milestone upon the Officer's employment anniversary date as noted in the following table. The experience/performance premium pay does not count towards the pay minimums or maximums.

(Police and Miami Experience)

Years of Qualified Police Service	Experience/Performance (EP) Tier	Total Hourly Rate (includes base pay rate plus applicable EP tier premium pay)
Less than one year of experience	EP1 - None	\$28.15
At least one (1) year, but less than two (2) years of police experience	EP2 - \$1.40 per hour	\$29.55
At least two (2) years, but less than three (3) years of police experience	EP3 - \$1.40 per hour	\$30.95
At least three (3) years of police experience	EP4 - \$1.40 per hour	\$32.35
At least four (4) years of police experience	EP5 - \$1.00 per hour for officers hired after 7/1/2008	\$33.35
At least seven (7) years of police experience	EP6 - \$.60 per hour \$.75 per hour for officers hired after 7/1/2008	\$33.95 \$34.10 for officers hired after 7/1/2008
At least ten (10) years of police experience and five (5) years of Miami University police experience	EP7 - \$.60 per hour \$.75 per hour for officers hired after 7/1/2008	\$34.55 \$34.85 per hour for officers hired after 7/1/2008

Note: Reflects base pay minimum (EP1 level) effective July 1, 2021. Chart to be updated and distributed annually, if applicable, to reflect increases to base pay minimum and pay rates for each EP level.

D. Lateral Entry

An officer who is employed as a full or part-time, sworn police officer at another state, county, or municipal police agency at the time of hire by MUPD will receive credit for his/her experience in determining the starting rate of pay. Credit will not be given for military police experience, auxiliary or volunteer experience, experience that preceded a break in service of more than one (1) year, or experience earned entirely as a probationary employee.

Credit will be awarded using the table in section C. (Experience/Performance Increase) of this article, with the number of years of experience determining the experience/performance increase the officer will receive.

E. Bonuses

Officers will be provided the opportunity to participate in the Miami University PRIDE Award program.

F. Shift Differential

Beginning October 6, 2018, officers assigned to second and third shift, meaning between the

hours of 1730 (5:30 pm) and 0730 (7:30 am), shall receive shift differential pay of fifty cents (\$.50) per hour in addition to their regular hourly rate for regularly scheduled hours. The shift differential pay provided in this paragraph shall not pertain to overtime hours (whether scheduled or unscheduled), call outs, hours subject to call-in pay under Article 8(f), or special duty.

ARTICLE 24 **University Service Supplement**

An officer with at least five (5) years of continuous service with Miami University, as of December 1st of the fiscal year, shall receive a lump-sum payment longevity bonus in the amount of 1% of the employees' individual base rate.

An officer with at least ten (10) years of continuous service with Miami University, as of December 1st of the fiscal year, shall receive a lump-sum payment longevity bonus in the amount of 1.5% of the employees' individual base rate.

An officer with at least fifteen (15) years of continuous service with Miami University, as of December 1st of the fiscal year, shall receive a lump-sum payment longevity bonus in the amount of 2% of the employees' individual base rate.

An officer with at least twenty (20) years of continuous service with Miami University, as of December 1st of the fiscal year, shall receive a lump-sum payment longevity bonus in the amount of 2.5% of the employees' individual base rate.

An officer with at least twenty-five (25) years of continuous service with Miami University, as of December 1st of the fiscal year, shall receive a lump-sum payment longevity bonus in the amount of 3% of the employees' individual base rate.

This payment will be subject to retirement contributions and applicable federal, state and local taxes. This longevity bonus will be paid during the latter part of December. An employee must be in active pay status December 1 in order to be eligible for the payment. The longevity payment is earned in the pay week including December 1.

ARTICLE 25 **Repayment of Training Expenses**

The University may require, as a condition of hiring, that any Cadet candidate will be required to repay all or a portion of his/her tuition for the Police Academy, paid by the University in the event such candidate thereafter voluntarily terminates his/her employment with Miami University during the two (2) years following certification as a police officer. Similarly, any officer who receives Emergency Medical Responder training at the University's expense shall be required to repay the University for such expense in the event such officer voluntarily terminates his/her employment with the University during the two (2) years following the certification.

ARTICLE 26 **Health and Safety**

The University will provide, at no cost to the officer, the following vaccination series and screenings;

- a) Hepatitis-B vaccination series, not to exceed one (1) series of vaccinations.
- b) Tuberculosis screening, not to exceed more than one (1) screening during a four (4) year period.

- c) HIV testing to officers who are exposed, while in the course of employment with Miami University, to blood or other potentially infectious materials as defined by OSHA in CFR 1910.1030 Blood borne pathogens, not to exceed more than two (2) screenings in a one (1) year period.

All vaccinations and screenings are voluntary and will be performed at Student Health Services or agency with which the University contracts services.

Miami University is committed to ensuring the fair opportunity for injured workers to return to productive work assignments in a timely manner, while encouraging their ongoing healing process. To that end, Miami University will follow its Transitional Work Program to return officers to work. Due to the fact that light duty police work seldom occurs, priority will be given to those officers injured on the job. The determination of the availability of transitional work will be at the sole discretion of management.

**MIAMI UNIVERSITY POLICE DEPARTMENT
Employee Performance Guidelines**

Introduction

The Miami University Police Department sets high standards for the performance of its' Employees. The Employee Performance Report was developed to measure each employee's performance relative to that standard, and provide useful feedback for improvement. The immediate supervisor of all classified police employees completes the report every six (6) months, or as necessary for Special Evaluations. Employees are expected to use the report to refine their job performance and improve their service to the community.

Rating System

The Employee Performance Report uses a comparison to standard system composed of five (5) ratings. Each rating is explained below:

Rating	Description
Does Not Meet Minimum Standards of Performance	The employee's performance is unacceptable, falling below even minimum standards in most aspects of the rated category. Immediate action should be taken by the employee to improve his/her performance
Meets Minimum Standards But Needs To Show Improvement	The employee's performance is in need of improvement. Some aspects of the rated category may meet department standards, but others do not.
Meets Standards of Performance	The employee's performance meets or exceeds the department's expectations. The employee is performing at 100% or more all the time in the rated category.
Exceeds Standards of Performance	The employee's performance exceeds the department's expectations. The Employee is performing at well over 100% most of the time in the rated category.
Far Exceeds Standards of Performance	The employee's performance significantly exceeds the department's expectations. The employee is performing at well over 100% all the time in the rated category.

When completing the Employee Performance Report, supervisors must provide clear and concise comments of explanation for all rated categories in which the employee's performance is evaluated as "Does Not Meet Minimum Standards of Performance", "Meets Minimum Standards but Needs to Show Improvement", or "Far Exceeds Standards of Performance". Comments should be written in such a way as to make it clear to the employee what action is required to improve his/her performance to an acceptable level.

Rating Categories and Expectations

The Employee Performance Report is divided into five (5) categories, each of which has five (5) specific rating areas. The categories, rating areas, and expectations to receive a Meets Standards of Performance are as follows:

- *Community Relations - measures an employee's ability to work with and within the community.*
 1. Employees are expected to handle public contacts politely, courteously, and with Professionalism. Employees should listen and, if possible, respond to citizen needs.
 2. Employees should convey a positive attitude toward the public, not appearing bitter or disaffected, regardless of what personal matters may be affecting them.
 3. Employees are expected to "go the extra mile" in dealing with the public by providing nontraditional assistance. Examples might include helping a stranded motorist push his/her car off the road, or giving him/her a ride to a gas station if s/he ran out of gas.
 4. Employees should solve problems creatively. For example, working with a corridor to prevent damage in their hall if arresting the perpetrator may not be a likely solution.
 5. Employees are expected to listen to community feedback and take steps to address issues raised. Examples might include recommending placement of new traffic signs or better lighting.

- *Departmental Relations - measures an employee's ability to work with and within the department.*
 1. Employees are expected to cooperate with co-workers and function as members of a team. Employees should not constantly complain about and to other employees.
 2. Employees are expected to cooperate with supervisors. They should communicate effectively, in an appropriate manner, and not create undue difficulty.
 3. Employees should be willing to help other employees when appropriate, and are expected to take the initiative in such cases, rather than having to always be asked for help.
 4. Employees should listen to feedback and concerns, and attempt to resolve any job performance problems. Employees are expected to take ownership of their mistakes instead of blaming others.
 5. Employees should be good leaders by helping guide less senior employees in positive ways. Employees are expected to share their knowledge with others, when appropriate.

- *Personal Conduct - measures an employee's performance with respect to conduct issues.*
 1. Employees are expected to arrive on time for their shift, dressed in uniform (if appropriate), with all necessary equipment and prepared for duty.
 2. Employees should be well groomed, observing applicable department standards of personal appearance and uniform specifications.
 3. Employees are expected to work when scheduled, use sick leave only when necessary and within acceptable guidelines (per SOP), and take other leave only when properly approved.
 4. Employees are expected to do their share of covering unexpected absences and working scheduled overtime.
 5. Employees are expected to participate in voluntary training and make use of other opportunities to improve their job knowledge.

- *Policies and Procedures - measures an employee's knowledge of, and adherence to, department policies.*
 1. Employees are expected to know and understand the department's SOP.
 2. Employees are expected to conform to SOP at all times in the performance of their duties.
 3. Employees should seek guidance for clarification of SOP and job duties when needed. Guidance should be sought from proper supervisory authority.
 4. Employees are expected to complete assigned tasks in a timely manner and in

accordance with the instructions provided.

5. Employees should work up the chain of command when seeking to resolve issues, beginning with an immediate supervisor. Employees are not expected to take issues directly to command staff unless efforts to work with first line supervisors have failed. When seeking supervisory approval, employees are not to keep asking different supervisors until they receive the desired response.
- *General Productivity - measures an officer's performance of job-related tasks in terms of quality and consistency with other members of his/her peer group. This category does not apply to dispatchers, cadets, or other personnel not regularly assigned to patrol or investigations.*

Officers are not required to meet any statistical standard in this category; however, it is expected that performance among co-workers assigned to the same days and watch will be similar. In addition, it is expected that officers will base their actions only on probable cause or reasonable suspicion; proper documentation of what took place, and conduct in accordance with department and professional standards are also expected. Officers are to be fair and objective in the pursuit of their duties, not allowing their judgment to be influenced by inappropriate factors. When necessary, officers are expected to testify in Court in a professional manner, well prepared for their case, and having performed all appropriate follow-up.

1. Officers are expected to make arrests when appropriate.
2. Officers are expected to write uniform traffic citations when appropriate.
3. Officers are expected to aggressively patrol their jurisdiction, remaining alert for criminal and traffic violations, safety hazards, suspicious activity and other matters that would warrant police intervention.
4. Officers are expected to complete clear, concise, and thorough reports in a timely fashion.
5. Officers are expected to engage the citizens of the community they serve, including proactive contacts designed to improve communication and build community trust and respect for the department.
