\*Voya has decided to discontinue its A.M. Best rating. The 2018 sale of Voya's individual annuity business and Voya's decision to cease new individual life insurance sales has diminished the company's need to maintain the ratings from A.M. Best. This discontinuance was based on Voya's business decision and does not reflect any concerns from A.M. Best about Voya's creditworthiness or its ability to meet its ongoing obligations. Prior to this decision, A.M. Best had affirmed its previous strong ratings of Voya.

\*\* Record Keeping fee amounts are divided by 4 and charged quarterly to participant accounts.
