Miami Dining is committed to going above and beyond expectations to ensure students can dine safely on campus regardless of dietary needs. We also take into consideration cultural backgrounds, religious affiliations, and lifestyle choices.

Discover comprehensive dietary resources for students on our Miami Dining website. Explore the “Menus and Hours” tab to access a wide range of menus, featuring convenient filters to cater to your specific dietary preferences. Additionally, you’ll find valuable nutrition information to enhance your dining experience.

Nut-Friendly Dining Commons
Our dining commons are NUT-FRIENDLY. This means we do not actively include peanuts and tree nuts (including coconut) in our recipes. We avoid purchasing ingredients that house a “may contain [nuts]” statement in our recipes. We do however, purchase ingredients that may contain a “processed in the same facility with [nuts]” or “processed on shared equipment with [nuts]” statement. For those who enjoy nut products, don’t worry! We have packaged nut products in the retail markets. Other retail locations on campus may have nuts in their menus, for example, Panera and Starbucks, but the majority follow the nut-friendly initiatives.

Our Diplomat Minimum, Plus, and Standard levels also come with a “Bonus Week” of meal swipes. This means that those plans come with an extra week’s worth of meal swipes, which DO roll forward each week. Meal plans are designed to provide meal opportunities for students each semester. If you are finding that you are not able to get the most use out of your plan, you can change it up to the first day of the semester for both fall and spring. Simply login to your housing portal to adjust accordingly. Find more meal plan information including pricing on the following page.

### Meal Swipe Flexibility and Dining Dollars
For quicker on-the-go options, our retail market locations and Bell Tower offer Meals To Go that include an entrée, piece of fruit, and a water bottle that can be purchased with one meal swipe. Room Assignments
During the summer, our office works diligently to finalize housing assignments. We strive to meet as many preferences and requests as possible. In order to meet the most preferences, our process takes the majority of the summer.

Room assignment information for incoming first-year students is sent out by email in late July/early August.

Living Requirements
At Miami, we highly value the residential experience for student success. All first-year and second-year students are required to live on campus unless they meet one of the following criteria:

- At least 21 years of age before the first day of class.
- Have matriculated full-time for at least two years at another institution of higher education or a regional campus (credits must be post high school).
- Commute from the home of a parent or legal guardian.

MUlaa
MUlaa is an on-campus debit account that is used for the residence hall laundry machines, RedHawk retail locations, MU Box Office, MUPrint printers and copiers, and vending.

To add money to your account, sign up on your “Housing and Meal Plan Contract.”

To deposit additional money into an account, simply access the One Stop website at MiamiOH.edu/onestop.

MUlaa is refundable.

To view transactions and balances visit WebCardCenter.MiamiOH.edu.

Residence Hall Staff
The Residence Life staff includes full-time professionals, graduate students, and undergraduate students.

A Resident Assistant (RA) lives in each residence hall corridor to help students make the transition from high school to college and to plan special events so students get to know one another. These carefully selected and trained upperclass students are also familiar with the scheduling process and often share their own knowledge and experience.

A Resident Director will live in your community as well. They will help shape the environment and experiences of residential students.
Miami Digital ID
Miami University has implemented the Miami Digital ID as an official form of identification. Utilizing the Miami Digital ID ensures you are never without your key to campus.

The Miami Digital ID is available at no cost to all students and is the default form of ID for incoming students. The ID provides access to residence halls, campus buildings, meal plans, Recreational Sports Center, MUlaa debit accounts, library resources, and more.

Using Digital ID is easy, and directions for loading Digital ID directly from the GET app can be found at MiamiOH.edu/digitalid. An approved photo must be uploaded to the GET app before Digital ID can be loaded onto your smartphone or smartwatch. Photo approval could take 24-48 hours. Be sure the Digital ID is loaded on your device before you arrive for move-in.

Airport Shuttles
Airport shuttles with multiple departures and returns to and from the Cincinnati (CVG) airport are offered for Thanksgiving, winter break, and spring break using professional charter coaches at a cost of only $40 each way (inclusive of rider and luggage). Visit MiamiOH.edu/shuttle for more information.

HOUSING FAQS

When will I find out where I’m living?
Housing assignment information will be emailed to your Miami account in late July/early August.

What linens will I need?
You’ll need to provide your own pillows, blankets, and sheets (which fit an 80” x 36” XL twin mattress). You and your roommate(s) may want to coordinate bedspreads and additional items to decorate your room.

What furniture is provided?
All rooms are furnished with beds, dressers, desks, desk chairs, bed rails, trash can, recycling can, and closets or wardrobes. Due to campus storage space limitations, requests to remove university provided furniture cannot be accommodated. Students are discouraged from bringing their own furniture to campus. Typically, rooms can only safely accommodate the furnishings provided.

What appliances can I use in my room?
Approved appliances for use in student rooms include stereos, televisions, computers, fans, clocks, lamps, irons, blow-dryers, curling irons, single-serve contained coffee makers, and powerstrip cords with built-in circuit breaker. All items must be Underwriters Laboratory approved.

What items can I not use?
The following items are prohibited in your room: private loft beds, bed risers, electric blankets and sheets, hot plates, sun lamps, candles, electric skillets and grills, toaster ovens/toasters/popcorn poppers, open hot pad coffee makers, halogen lamps, wireless router, wireless printer, and non-circuit breaker equipped extension cords.

How large are the residence hall rooms?
The size of our rooms varies from one residence hall to another, as a result of architectural differences. You will receive the dimensions of your room when you get your assignment in late July/early August. The majority of rooms are multiple occupancy rooms for two people.

Will I have internet in my room?
Yes, each room has both wired and wireless connectivity providing access to the internet and local network resources.

Do I need to purchase property insurance?
Miami does not assume responsibility for the loss of money or valuables, damage to property, or injuries on the premises. If you are not covered under your parent/guardian homeowner’s insurance policy, we strongly recommend that you make arrangements for insurance protection against such losses, such as renters insurance.

What can I use to hang items on my walls?
You may decorate your walls using molding hooks (“S” hooks), twine, and reusable poster putty. Due to the room damage they create, Command Strips, Scotch tape, duct tape, adhesives, tacks, nails, screws, or pins may not be used for any purpose (students are responsible for room damage including the room door).

*LED lights are not recommended for use in the residence hall rooms as the double-sided tape used to attach them to the walls will cause damage resulting in damage fees. Residents are responsible for any repairs/damages regardless of supplies used if damage results.

Room decorations must not be affixed to or suspended from the ceiling, light fixtures, smoke detector, occupancy sensors, or sprinkler heads. You may be held financially responsible for the repair and clean-up resulting from an unintentional/intentional activation of a sprinkler head.
Can I park on campus?
A parking permit is required to park on Miami University's campus at all times unless in a garage or at a meter. Please contact the Campus Services Center at 513-529-5000 or visit our website at MiamiOH.edu/parking for questions concerning eligibility for or purchasing parking permits.

Can I have a pet?
Pets are not permitted in the residence halls, except for small fish. Tank size cannot exceed five gallons, and tank heaters are not allowed.

What if my roommate and I do not get along?
Roommate conflicts are mediated by your Residence Hall Director and Residence Life staff members, who encourage open communication between roommates to come to a mutual resolution.

STUDENT EMPLOYMENT

With over 1,500 student employees, Campus Experiences is the largest employer of students on campus. We take pride in offering a student employment experience that both engages and empowers each student.

Working as a student allows you to focus on academics while earning income, building skills, and making connections with professors, staff, and other students. Locations are convenient and scheduling has greater flexibility to work around your classes and exams. The National Center for Education Statistics has found that “students working 1-15 hours weekly earn higher GPAs” than students who do not work at all.

Remember to bring original documents with you to the Human Resources office to complete the hiring process. A list of acceptable documents can be found at USCIS.gov/i-9-central/form-i-9-acceptable-documents.

After you are assigned a Workday account in July or August, sign into your Workday account and search “find jobs.” Please email studentemployment@MiamiOH.edu with any questions.
